AGREEMENT ON COPYRIGHT

Certain rights under copyright to the article (MS._________) submitted with the title ______________________

_______________________________________________________________________________________________

by ______________________________________________________________(the “Assignor”)

are assigned to the American Nuclear Society (ANS), effective when the article (“work”) is accepted for

presentation or publication by ANS, and secured by ANS registration of publication collective works of which

this article will be a part.

The Assignor (author or authors) warrants that he has full right to make this Agreement, that his work does not

violate the rights of other persons nor infringe upon any existing copyrighted work. If copyrighted material of a

third party is included, the Assignor agrees that he will obtain required permission for its reuse.

The Assignor retains the right to reproduce this article for his own use. Also, the Assignor keeps the right

to use all or part of the work in future works he prepares--but not within six months after ANS publishes this

article, unless agreed to by ANS.

The Assignor also retains the right to grant to third parties permission to republish all or part of the work,

provided written permission also is given by ANS. Proprietary rights other than copyrights, such as patent

rights, also are retained by the Assignor.

If the Assignor is acting for other authors, their rights are retained or transferred in the same manner under this

Agreement.

If the author(s) created this work while employed by the U.S. Government or one of its contractors, and within

the scope of such employment, the U.S. Government is granted a nonexclusive royalty-free license to publish,

republish, or reproduce the work or to allow others to reproduce this work for U.S. Government purposes.
